Sargon Engineering
4/138 Abernethy Road
Belmont, WA 6104 Australia

Ref: TR-SE-1301

Subject: Sargon Engineering Process Model Services Recommendation

We would like to express our satisfaction with the work performed by Sargon Engineering with regards to the modeling of a Roasting, Leaching and Electrowining Zinc Plant. The services were provided with a high quality level and complying with schedule and scope of work.

Sincerely,

Francisco Sanchez
Head of Process Development Department
